Tuesday	21 July 2026	08:00h – 12:00h

It is not permitted to remove the booth / collection pieces before the end of the fair! **In case of noncompliance, the exhibitor has to pay a contract penalty of EUR 5.000,- (see terms of condition).**

Special setup times have to be arranged with the organizer.

Booth Setup

Your booth will be built accordingly to your submitted stand equipment order incl. booth sketch. The stand equipment order has to be made before the mentioned date. Exhibitors who have not submitted a written stand equipment order, have to pay for booth setup effort, a minimum of **EUR 150,- (extra setup costs).** The exhibitor is responsible for the adherence to the deadlines.

Setup and removal will be done through the doors on the side and elevators. (194x190 cm W. x H.) Back of the hall 240x270 cm. Longer items (only upper floor) have to get carried in the hall via stairs. Due to accident risk, it is not permitted to use the escalator. Power connections are abounding. Bring extension cables (not under 3x1,5 mm²) with you when needed. The exhibitor has to stick to the booth boundaries, the booth walls are not to be damaged. Please mind the fire security (B1) of the exhibition- and product items (see terms of condition).

Emergency Routes

Escape and emergency routes, especially the marked areas at the hall sides, are to be cleared at any time. No standing on the escape and emergency routes. In case of noncompliance, the exhibitor will be excluded. We kindly ask the exhibitors to use the parking spots on the side as soon as they have loaded/unloaded.

Exhibitor Carpark

Free parking spaces are available for exhibitors in car park P2. The parking spaces in front of and to the side of the exhibition centre (P1) are reserved exclusively for visitors on Saturday and Sunday. **On Monday, these spaces will be opened to exhibitors to ensure that dismantling proceeds smoothly.**
